March 14, 2020

Dear Omni Community,

As Head of School and as President of the Board of Trustees, we would like to share another update with you about COVID-19 (coronavirus). Governor Roy Cooper issued an executive order this afternoon, saying all NC public schools will be closed Monday, March 16, 2020 and the closure will last at least two weeks. This decision was made to help minimize the spread of the virus.

In accordance with the spirit of this executive order and with the health and safety of our students and employees as a top priority, we have decided to transition to remote learning beginning Monday, March 16, 2020. We plan to operate under this format through Friday, March 27, 2020. We understand that families will be affected by this decision and we appreciate your patience and flexibility as we work to navigate this unprecedented community health concern.

The administration is working on a schedule to allow parents and students to visit the school to pick up learning packets, needed personal belongings, etc. This information will be communicated when the schedule is confirmed. In addition, in the coming days, parents will receive information from their guides and program coordinators with details about continuing Montessori learning at home.

In closing, please know that we remain committed to partnering with all of our families to maintain a safe and healthy school community. We are stronger in partnership; please reach out with ideas, questions or concerns. Once again, we thank you for your ongoing support.

Regards,
