

1985

## Conceptualize

Four families met to discuss the formation of a Montessori school in Charlotte. They created an organization called CLAN (composed of the letters of their last names).

1998

## Grow

A third Primary classroom was added and a new, free-standing Upper Elementary building (Red Maple) was completed, making a total of six classrooms.

2008

## Sprout

Students began classes at the Waxhaw campus, also known as the Land Lab. Additionally, the Activity Center opened, housing a gymnasium, office space, and later, after-school programs.

2016

## Soar

Through the support of the Gardner family and the craftsmanship of Treehouse Masters, the Owl's Nest Treehouse Library became a space of learning and inspiration for students.

2025

## Roots

Omni celebrated its 40th Anniversary during the 2024/2025 school year.

1989

## Community

Ground was broken for a second building which housed the elementary program. Within the same year, Omni established a Board of Trustees and Parent Association.

2007

## Broaden

Omni launched one of the nation's few AMI recognized adolescent programs. A 13-acre property in Waxhaw was purchased and renovated. During this time, six students began classes at the Blakeney campus.

2014

## Achievement

Omni received full NCAIS membership and SAIS accreditation.

2024

## Flourish

After many years of planning, Omni broke ground on the addition of a free-standing Primary building and expansion on the Red Maple classroom
